Dear Coach,

I am writing to personally invite you to the 2<sup>nd</sup> annual 2007 Duke's LC Lacrosse Tournament. This tournament is by invitation only and we would welcome your team as we feel they fit in with the competition we have attending. The Duke's Invitational will be comprised of Boys High School Elite and All Star teams from up and down the East Coast.

Not only will this tournament consist of some of the best talent on the East Coast, athletes will get exposure to some of the top College Lacrosse Coaches in the country. Each athlete will be listed in a college coach's booklet, which will be distributed at the event to each college coach. This booklet will include all information that has been recommended by our College Coaches board, including: Contact Information, GPA, SAT, Class Rank and many more important details.

Each team is guaranteed 4 Games through out the Invitational. Games will be officiated by professional referees. We ask that coaches first register their team, then send each of their players the team code they were assigned. It is crucial that each player registers online as this is where the waiver is located as well as where all the information is to be collected for the College Coaches Booklet.
