General Rules for the Tournament:

The game will consist of four (4) 12 minute running time quarters with a 5 minute half time.
 Each team will have 1 time out per half and clock will stop. Referees will enforce time delays strictly.
 The game clock will start-stop the last 2 minutes of any game where the goal differential is 3 or less
 We are using NCAA rules with counts but limited stick checks after 1st and 3rd quarters only.
 Overtime will be a 3 minute "sudden death" period/s with NO timeouts allowed.
 Each field will be staffed by the tournament with timers and scorekeepers as well as trainers.
 Please make sure your players use bathroom facilities provided at each venue. No bushes please!
